

Date: January 29, 2008 for February 4th Agenda

To: Commissioners

From: Executive Officer

Subject: Discussion of Potential Reorganization Study of Fire Agencies

During the Bonny Doon/County Service Area 48 fire protection public hearings in late 2008, a member of the public raised the question of consolidating some or all of the fire agencies in Santa Cruz County. This matter is on the agenda so that the Commissioners may have a discussion of what would be involved in preparing or participating in a major reorganization study.
