Campaign Contributions

State law (Government Code Section 84308) requires that a LAFCO Commissioner disqualify herself or himself from voting on an application involving an "entitlement for use" (such as an annexation or sphere amendment) if, within the last twelve months, the Commissioner has received \$250 or more in campaign contributions from an applicant, any financially interested person who actively supports or opposes an application, or an agency (such as an attorney, engineer, or planning consultant) representing an applicant or interested participant. The law also requires any applicant or other participant in a LAFCO proceeding to disclose the amount and name of the recipient Commissioner on the official record of the proceeding.

The Commission prefers that the disclosure be made on a standard form that is filed with the Commission's Secretary-Clerk at least 24 hours before the LAFCO hearing begins. If this is not possible, a written or oral disclosure can be made at the beginning of the hearing. The law also prohibits an applicant or other participant from making a contribution of \$250 or more to a LAFCO Commissioner while a proceeding is pending or for 3 months afterward.
