SUBJECT: Support for Opal Cliff's Recreation District Dissolution

Dear Mr. Serrano,

The County of Santa Cruz Department of Parks, Open Space & Cultural Services (County Parks) is aware of the proposed dissolution of the Opal Cliff's Recreation District (OCRD). County Parks currently maintains the beach access point owned by OCRD and provides recreation enrichment to the citizens living in the district.

The application for annexation of the area into County Parks/County Service Area 11 would be manageable and welcomed. County Parks supports the reorganization of OCRD, and is willing to continue providing services to residents and maintenance of the beach access parklet.

Sincere regards,
