Dear Santa Cruz County LAFCO,
I request that the LAFCO website be updated to reflect that the Branciforte Fire District Reorganization was finalized on December 8, 2023. https://santacruzlafco.org/bfcpd_reorganization/

I also request that the Branciforte Fire District Reorganization matter be an agenda item on the January 10, 2024 LAFCO agenda. There is no public information item provided regarding the final CalPERS negotiations and settlements for the former Branciforte Fire District staff, the status of the Branciforte Fire Station, or the status of the Branciforte Advisory Committee.

Please include this information as an agenda item for public transparency. I feel this is important, and merits regular reports from Scotts Valley Fire District staff to LAFCO for the next few months.

Also, I do not see any mention of the LAFCO-funded AP Triton Fire Service Study that has been in progress and promised for a long time. Please place this item on the January 10, 2024 LAFCO agenda for public discussion for transparency and public discussion.

Thank you.

Sincerely,
Becky Steinbruner
