Dear Joe,  
Thank you for this information.

Do you plan to ask the Commission for additional money budgeted for Professional Services to assist the Scotts Valley Fire Protection District with expenses to transition to district-based Board elections, subsequent to the Branciforte Fire District dissolution?

Residents and I plan to pursue this transition legally if the District does not take action to hire a demographer and proceed with the transition. LAFCO initiated and funded the reorganization, which has brought significant additional burden to Scotts Valley Fire Protection staff.

It only seems right that LAFCO would help the District fund the transition to district-based elections for equitable representation throughout the District now and in the future. Doing so will address an issue of statewide and national concern.

Please respond. Thank you.

Sincerely,  
Becky
