Dear Joe, Paco, and Commission Members,

During the recent holiday I took some time to do a deeper reflection on my interest in LAFCO public representation and would request that I be considered for BOTH the Regular and Alternate appointment positions available.

As I recall, the duties, requirements, and knowledge required are of similar nature, along with the level of engagement and expected participation.

Hopefully my interest and willingness to serve in either of both positions provides the Commission with additional choice and flexibility in the selection process.

Thank you for your consideration and I look forward to the interview process.
